A SMARTER ALTERNATIVE

Various Service Positions Kalgoorlie

Atlas Copco Mining and Rock Excavation Australia Kalgoorlie branch invites applications from qualified heavy plant mechanics and auto electricians to fill workshop, leading hand and field service positions. Current roster is 8/6, 12 hours per shift. Note that these positions are residential.

Reporting to the Service Manager, these 'hands on' roles involve: repair and maintenance work on surface & underground mining mobile plant, repair and fault finding on hydraulics and electric systems, surface, underground and field service work as required and completion of reports and other administrative duties.

The successful candidates will have: heavy plant mechanic/auto electrician trade qualifications, experience in the maintenance of surface and underground mining equipment, hydraulic repairs, diagnostics and low voltage electrical repairs, preventative and breakdown maintenance experience, good organisational and communication skills, excellent customer service, and a valid driver's licence.

Leading Hand applicants will have proven leadership ability and effective people management skills.

Pre-employment medical, drug and alcohol screen, as well as relevant police background check shall be conducted on applicants recommended for employment to positions within this organisation.

For more information go to www.atlascopco.com.au

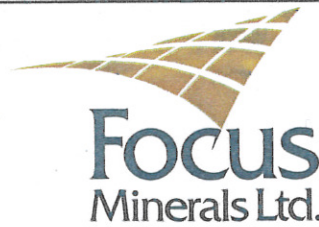

To apply, please log on to: <http://fsr.cvmail.com.au/atlascopco/main.cfm>

Kalgoorlie/Coolgardie Area Gold Producer

Focus Minerals Ltd is an Australian gold producer with operations based in Coolgardie, in Western Australia's Eastern Goldfields. Focus is developing a long-term gold business within its 305km² tenement holding in this world-class gold belt, located just south of Kalgoorlie's 'Golden Mile'

Warehouse Co ordinator

Focus Minerals prides itself on the quality of our people and we recognise our staff as being our number one asset. With this in mind, we are currently recruiting highly-motivated and skilled people to share in and help us achieve our vision of becoming a significant mid-tier gold producer in Western Australia.

Focus Operations are based around the historic Coolgardie town site only 30km from nearby Kalgoorlie. This role is offered on a residential basis living in nearby Kalgoorlie – a vibrant and historical mining centre large enough to offer all the amenities of any big city while retaining its small-town charm and friendliness.

A vacancy exists for a suitably qualified Warehouse Coordinator to join the Purchasing Department at Focus Operations. The position is based at the Three Mile Hill Site (Coolgardie) and reports to the Supply Supervisor.

This role is offered on a residential basis only.

The Warehouse Coordinator's duties will include:

- Receipt, Checking and Storage of Incoming Goods
- Despatch of all Outgoing Goods
- Assisting in the Distribution of Incoming Goods to Depts
- Picking Stock & ensuring Stock Rotation
- Performing general Housekeeping duties to keep the Store and Associated Environs in a clean, safe & tidy state
- Fulfill the Supply Supervisors role in his absence

Candidates will ideally possess:

- 'A' Class Driver's Licence
- Computer Literacy

Desirable qualities:

- Computer Literate in Pronto
- Forklift Ticket
- Non-Slewing Crane Licence
- Knowledge and Understanding of the Mining industry

Persons who are currently in an operational mining or exploration role, who possess suitable qualifications and have a strong desire to make a difference in a Supply career are encouraged to apply.

Applications should be forwarded to one of the addresses below no later than COB 27th August 2012.

LOGISTICS COORDINATOR

Action Drill & Blast is Australia's fastest growing drill and blast company delivering superior services to the mining and civil industries. We are currently seeking a Logistics Coordinator to join our busy team.

The Logistics Coordinator will be working closely with the Area and Operations Managers to facilitate the mobilisation and demobilisation processes of civil and mining projects.

What Action Drill & Blast has to offer:

- Opportunity to move into the mining industry and excellent remuneration
- Mon - Fri Perth-based role, however flexibility is a must as during mobilisations and demobilisations, several weeks at a time will be required on site
- Hands-on role, requiring scheduling of resource and transport availability, liaising with internal and external clients and physical work in remote locations setting up or packing up site facilities
- Asset tracking, monitoring of GPS systems and regular stock-takes are key functions of the Logistics Coordinator, as is compliance management of dangerous goods storages.

Ideally the successful candidate will have:

- An enthusiastic, hardworking approach with excellent communication skills
- Self-motivation and the ability to work well in teams
- A strong background in logistics and dangerous goods management
- High level computer skills in MS Office & MS Project
- HR-B or HR license.

Build Australia's future - and your own

Something remarkable is happening near Onslow, at Ashburton North on the Pilbara coast: the Chevron-operated Wheatstone Project, a major liquefied natural gas (LNG) and domestic gas project. Designed and constructed by Bechtel for Chevron.

Australia's future is as a world leader in clean energy production. Your future too, if you want it.

Registrations of Interest wanted from skilled and semiskilled trades for early works onsite. Positions will mobilise to site in the second quarter of 2012. Our subcontractors - who cover the full range of industrial construction trades - will use ROIs to staff their jobs.

Apply now at:

wheatstonejobs.com

Now looking for:

- Carpenters
- Concrete Workers
- Mobile Plant Fitters
- Mobile Plant Operators
- Civil Labourers

And this is just for early works. Over the course of the project, we'll be looking for *Metal Trades, Riggers/Scaffolders, and Electricians*. If you're skilled or semiskilled in an industrial construction trade, submit your registration of interest today!

Construction Services Facility now open!

You can register your interest in person, working with one of our team members, or submit online.

Come see us

Monday - Friday, 7am - 5.30pm
